July 2008

Dear Friend of Bible Alliance,

The news keeps getting better for those of us associated with the Assemblies of God Bible Alliance.

Last month, I was able to report to you about the Tiddim Chin *Fire Bible* dedication and launch in Burma (Myanmar).

Today, I get to tell you about the printing of a *Fire Bible* that many feel will have the greatest impact of any language edition we have published to date.

## **Today, I have the honor of announcing the printing of the Arabic *Fire Bible*!**

The first 10,000 copies of this great tool for reaching the Arabic world have rolled off the presses in Beirut, Lebanon, and are on their way to the 20-plus countries around the world where Arabic is spoken.

Why is this *Fire Bible* so important?

We all recognize the threat Islam represents around the world. If Muslims are going to be reached with the gospel of Jesus Christ, it is going to be through signs and wonders. If Muslims are going to be reached, it will take the power of the Holy Spirit.

Now, we finally have a **Pentecostal study Bible** available for Arab Christians to use to proclaim the full gospel around the world where Arabic is spoken.

Most sources estimate that there are more than **200 million Arabic speakers** in the world. Arabic is the official or a co-official language in the following countries:

<b>Algeria</b>	<b>Kuwait</b>	<b>Qatar</b>
<b>Bahrain</b>	<b>Lebanon</b>	<b>Somalia</b>
<b>Chad</b>	<b>Libya</b>	<b>Sudan</b>
<b>Djibouti</b>	<b>Mauritania</b>	<b>Syria</b>
<b>Egypt</b>	<b>Morocco</b>	<b>United Arab Emirates</b>
<b>Iraq</b>	<b>Oman</b>	<b>Yemen</b>
<b>Jordan</b>	<b>Palestinian West Bank and Gaza</b>	

(See map on enclosure.) In addition, large numbers of Arabic speakers live in Iran and France and a substantial number of speakers live in Israel and parts of Africa.

I'd personally like to congratulate the director of Bible Alliance, missionary Guy Highfill; the *Fire Bible* project director, missionary Phil Combs; and the onsite Arabic *Fire Bible* director, missionary Tom Belt, and his translation team in Lebanon who worked so diligently on the project.

The production of the Arabic *Fire Bible* was seven years in the making. The funding of the Arabic *Fire Bible* was through the "Reaching the Unreachable" campaign, a campaign you probably participated in . . . so you have a part in making possible this great publication.

It was a long struggle to complete this *Fire Bible*. Our project team in Lebanon translated in the basement of a building while the upstairs was being bombed. They constantly faced technical problems. The Arabic edition has been one of the most difficult *Fire Bibles* to produce so far.

But when you look at the list of countries where this *Fire Bible* will minister, you can see great potential and be assured that it was worth the effort.

There is one somber thought that crosses my mind. Many of the Arabic proclaimers of the gospel who preach from this Book will pay the ultimate price for preaching this gospel. **Many of these 10,000 Arabic *Fire Bibles*** will become blood-stained. Most will be tear-stained.

But we are believing that the Author of this Book will bring about a tremendous revival across the Arabic world. We are believing that the Arabic *Fire Bible* will be **a tool singularly used of God to help fuel the Pentecostal revival** that will sweep the Arabic world in the coming days.

We are believing God for a surge!

Not a surge of military strength, because it is “not by might nor by power” (Zechariah 4:6). The Pentecostal message contained in the *Fire Bible* is what will ignite the surge I am talking about.

And, don't be surprised if this surge brings back the King of Kings!

Thank you again for being a part of this group of believers we call the Assemblies of God Bible Alliance. Thank you in advance for asking the Author of the Book we publish how many *Fire*
