

October 2008

Dear Friend,

Can you imagine living in a country that has **never seen revival?**

Max Schlaepfer, a pastor and church leader in Switzerland, says his country had a Reformation but has no history of revival.

He and other church leaders in that country are praying earnestly for revival. They plead with us to join them.

*“In preparation, we are focusing on helping our pastors to live and work as **Spirit-filled pastors**,” says Max. “We want our churches to be Spirit-led, reaching out in Spirit-empowered evangelism and missions.”*

And they are partnering with Life Publishers to develop those leaders.

By providing them with the *Enrichment* journal in German.

Thank you for making it possible!

The *Enrichment* journal is a valuable resource in any language.

The English edition, produced for U.S. pastors by the national Assemblies of God Enrichment Journal Office, is filled with timely and relevant articles written by some of today’s most well-respected theologians and Christian authors.

If this tool is important for our U.S. pastors, then just think what it must mean to overseas pastors like those in Switzerland who have so few biblical resources in their language. And no resources written from a Pentecostal perspective!

Read what Max says about its impact:

(over)

*“In the German-speaking world, INSPIRATION (name of German-edition Enrichment journal) is the **first periodical of its kind available for senior pastors, elders and church workers!** It provides relevant, up-to-date and helpful articles for evangelism, church work and missions from a Pentecostal perspective. The articles help shape and challenge the biblical and theological awareness of our pastors. Having this publication available will also **help our Pentecostal movements in Europe strengthen their influence.**”*

President, Pentecostal Assemblies of Switzerland
Vice Chairman, Pentecostal European Fellowship

Max and his fellow church leaders are praying for **revival not only in Switzerland but in all of the German-speaking world**, especially the three largest German-speaking countries:

Germany	82.5 million (entire population)
Austria	8.1 million (entire population)
Switzerland	4.8 million (64 percent of the population is German-speaking)

During the past two years, Max has worked closely with our own Bill Williams — missionary and coordinator of the *Enrichment* project — at Life Publishers to provide this important tool in German.

Today, **2,000 German-speaking pastors and workers are receiving *INSPIRATION* in Austria, Germany and Switzerland!**

Max recently sent me notes from three of his pastors in Switzerland who want to express their thanks to you for providing them with *INSPIRATION*:

“INSPIRATION is not a journal you read and then put away. Its articles are timeless and when I read it, I am deeply encouraged. The issue on evangelism came exactly at the right time when we pastors were asking ourselves in Switzerland how we could better help the church in reaching out for Christ.”

Pastor Matthias Truttman and family
Aarau, Switzerland

*“My wife, Chris, and I lead Pentecostal churches in various towns in the Lake Constance area of Switzerland. Three of our children and their families serve with us. Our vision is to encourage and build up three generations in the church. *INSPIRATION* has encouraged us and confirmed that we are on the right track.”*

“My wife, Brigitte, and I serve a growing church in Olten, Switzerland, of 150 people. We have a deep longing for a special spread of the Holy Spirit in our nation and city. INSPIRATION is helping us keep this hunger alive and is strengthening our faith. We were especially touched by the revival theme issue!”

Our ministry to overseas pastors and lay workers through the *Enrichment* journal continues to grow. Thank you for helping Life Publishers provide this valuable resource.

More than **10,000 pastors and lay workers** in several countries (including Austria, Germany and Switzerland) are requesting it now in eight languages.

We need your help to see that they get it! Your **\$12 gift** today will bless one pastor with a year of *Enrichment* in his language. Your gift of \$24 will bless two pastors, \$36 will bless three, \$60 will bless five, \$120 will bless 10, and a larger gift of \$600 will bless 50!

Thank you for helping to develop Spirit-filled leaders in Switzerland, Austria, Germany and many other countries with this Pentecostal tool.

Yours for the Word,

Guy Highfill
Director

P.S. Please remember to join Max in prayer for Pentecostal revival in Switzerland and all of the German-speaking countries of Europe.
